SUPPORT

TO GET YOU BACK HOME

SSVF helps veterans and their families who are homeless or at risk of becoming homeless through providing stable housing and other services as needed. SSVF may be able to help with past due rental assistance, first month's rent and/or security deposit, and utility assistance and/or deposits (if related to a housing crisis). SSVF may also be able to assist with case management services and referrals where appropriate.

To receive assistance, participants may need to locate new housing, develop a housing stability assistance plan, and comply with lease requirements.

You may be eligible for SSVF if:

- You have veteran status and live in Erie, Hancock, Huron, Lorain, Lucas, Ottawa, Sandusky, Seneca, Wood or Wyandot County.
- You are homeless, facing homelessness or have difficulty securing housing. This may include participants who are late on rental payments, facing eviction, being forced to move from current housing, living in a shelter and seeking
- housing, or preparing to move into income-based housing and in need of deposit assistance.
- Your current or potential landlord is willing to accept a payment voucher from GLCAP.
- Are at 80% or below of the county's median income. Call for more information.

All programs subject to change based on funding.

HUD Guidelines

U.S. Department of Housing and Urban Development (HUD) guidelines consider persons to be homeless if they are living in an emergency shelter, motel paid for by a charitable organization, tent or campground, or a place not meant to be lived in such as a car, park, or abandoned building.
